**SPRINT TROPHY**  
BENELUX

## **Team Information No. 07/2021**

### **Round 1 – New Race Festival**

**Zolder, 8. – 9. May 2021**

Dear Teams, dear Drivers,  
Ladies and Gentlemen,

This team information is regarding the upcoming race weekend during the New Race Festival at Circuit Zolder.

Please find information regarding the following topics:

- Covid-19 safety regulations
- Event schedule
- Access
- Paddock
- Administrative checks
- Technical scrutineering
- Tire service
- Fuel
- Noise regulations
- Supplementary regulations
- Race Director and sporting Staff
- Catering
- Radio
- Timekeeping

Please make sure to read the information and attachments carefully and come back to me if any questions occur.

With kind regards,  
Lars Plato

### COVID-19 SAFETY REGULATIONS

The COVID-19 safety procedures for the New Race Festival have not been issued yet.  
We will update you as soon as possible.

### EVENT SCHEDULE

Please find the event schedule attached.

See file: att1\_PSTB2021\_round 1\_event schedule

### ACCESS

Access to the track is possible as of Wednesday.  
Please notify us in case you are arriving on Wednesday or Thursday.

### PADDOCK

All teams will use their team trucks and awnings during this event.  
Please notify Lars Plato as soon as possible regarding your set up if you did not do so already.  
Attachment 2 of the entry form can be used for this.  
Deadline: 26.04.2021 12:00.

### ADMINISTRATIVE CHECKS

#### --- IMPORTANT ---

There will be no in-person administrative checks.  
All drivers and entrants need to send a recto-verso copy of their licence to Lars Plato ([lars.plato@drivingforce.be](mailto:lars.plato@drivingforce.be)), if not done so already. Deadline: Thursday 07.05.2021 17:00

### TECHNICAL SCRUTINEERING

The timetable for the technical scrutineering will be issued later.

The flat patch for measuring the ride height will be set up early (already on Thursday) so there is enough time to check the ride height on this first event. See event schedule.

#### --- IMPORTANT ---

Please note that the **driver's gear check** will not be in person.  
All drivers need to fill out and sign a document regarding the suitability of their gear.  
See file: att2\_PSTB2021\_driver gear check

## SPRINT TROPHY BENELUX

The completion of this form is mandatory for all drivers and needs to be returned to Lars Plato ([lars.plato@drivingforce.be](mailto:lars.plato@drivingforce.be)) by Friday 07.05.2021 20:00 at the latest.

### TIRE SERVICE

Our official tyre supplier Kronos (Michelin) will be on-site.

**Tire orders** need to be placed with Charly Hastir ([charly@kronostyres.com](mailto:charly@kronostyres.com)) using the attached order form.

Please order your tires **before Wednesday 28.04.2021**.

See file: att3\_Kronos Michelin Porsche order form 2021

The timetable for the tire registration will be issued later.

### FUEL

The fuel station is located in the paddock, payment by card only.

### NOISE REGULATIONS

There is no noise limit for this event.

Please respect the motor silence indicated on the event schedule.

During this event, the use of pre-silencers for GT3 Cup cars is not mandatory.

The pre-silencers kits must nevertheless be kept in the truck for the duration of the meeting.

### SUPPLEMENTARY REGULATIONS

The supplementary regulations of this meeting will be issued later.

### CATERING

Catering will be available for 145€ ex VAT and include:

Friday	07.05.2021	dinner – open bar
Saturday	08.05.2021	breakfast – lunch – dinner – open bar and snacks
Sunday	09.05.2021	breakfast – lunch – open bar and snacks

3 catering passes are included with every entry.

More catering passes can be ordered by email using the attached catering order form.

Please do so before Friday 30.04.2021 20:00.

Furthermore, the following items are offered:

Lunch bag for build-up day on Friday	12,50€ ex VAT
Single Day catering packages	65€ ex VAT

# PORSCHE

## SPRINT TROPHY BENELUX

See file: att4\_PSTB2021\_round 1\_order form catering

All passes will be distributed to the team managers on Friday.

### RADIO

Please follow the Belgian regulations when using radio and register with BIPT.

More information: <https://www.bipt.be/consumers>

### TIMEKEEPING

All cars need to be equipped with transponders as specified in the technical regulations.

Please report your transponder number to Lars Plato ([lars.plato@drivingforce.be](mailto:lars.plato@drivingforce.be)) before Friday 07.05.2021.
